Reference : Government Resolution, Political and Services Department No. 4083/34, dated the 5-5-1952.

2. The following points may kindly be clarified in connection with the admittance of the War service for purposes of pension -

(i) Whether only such service declared as "approved War service" by the Military department and also as per definitions given by this Government, be admitted towards pension as per Government Resolution under reference or any service rendered in a Military Department for prosecution of the War, between the period from 3-9-39 to 1-4-46 (excepting the service rendered before attaining the minimum age prescribed for particular posts) be admitted. To illustrate, a clerk appointed in a "reserved" vacancy in this Circle, has at his credit war service from 24-7-43 to 31-3-1946 of which the Defence Department has admitted only the period from 24-7-43 to ~~31-3-1946 of which the Defence Department has admitted only the period from 24-7-43~~ 15-8-45 to 15-8-45, as "approved war service". Kindly elucidate whether whole of the War service i.e. upto 1-4-46 be admitted as per Government Resolution quoted above, only approved war service.

(ii) Whether any certificate issued by the officer of this State Government specially employed for the purpose is necessary for admitting the War service or whether it can be done on the strength of the entries appearing in the Discharge certificate issued by the Military Department. If so, the name of the office which is to issue such certificates may please be communicated.

(iii) Whether the concessions granted for approved war service be extended to the persons absorbed from the ex-States on account of the merger, if so, to what extent.
